September 22-24 ~ West Baden Springs Hotel, West Baden Springs, IN

REGISTER TODAY @ WWW.PDALLC.COM

The American Psychiatric Association, in joint providership with the Indiana Psychiatric Society, invites you to participate in the 14th Annual Regional Integrated Mental Health Conference.

PROGRAMMING

The state of the state: mental health.

The past several years we have witnessed a fundamental shift in mental health. Athletes publicly taking mental health breaks from competition, phone apps to access therapists on demand, and transformative therapies long in existence only now seen as safe and effective in the fight against mental illness.

This conference will help psychiatrists and other mental health professionals as they continue to forge new paths in psychiatry. While traditional clinical programming will be the focus, the lens of social inequities will be weaved in so as to better help our participants navigate their practice.

TARGETED AUDIENCES

Psychiatrists, Primary Care Physicians, Physicians of Other Specialties, Mental Health Providers, Psychiatric Nurses, Nurse Practitioners, Physician Assistants, and Hospitalists
